

Getting to Windy Point

Take either 620 west from Round Rock or 2222 west from north Austin. From the 620/2222 intersection, go west 1.1 miles on 620 to the traffic light at Comanche Trail. Turn right. Take Comanche Trail 2.9 miles, past the Oasis restaurant and Hippie Hollow, to the intersection of Comanche Trail and Ridgetop Terrace. (Look carefully — until you are right upon it, this intersection may look more like a bend in the road.) Make a sharp left turn at this intersection. The park entrance is immediately on your right.
