

## Lake Travis – September 14-15

Come join us **September 14-15** at Lake Travis (Windy Point) for a time of diving, food, and fun. We will have Instructors and divemaster there. This would be a great time to get your Deep specialty or any other specialty.

Need a break from 288 Lake or the Blue Lagoon, then put this on your calendar. Windy Point has some great attractions under the water and lots of marine life.

Mark your calendars for September 14<sup>th</sup> and 15<sup>th</sup> and come join us!
